About Ribaz Group of Educational Services

For nearly two decades, Ribaz Group of Educational Services has been at the forefront of education, shaping futures and transforming lives. Our journey began with a vision to identify and harness emerging fields of technology and human resource needs, and to provide students with the education they need to succeed, not just in India, but around the world.

Our leadership team, with its unwavering commitment to excellence, has built a legacy of success. Thousands of students have passed through our doors, leaving with the skills and confidence to secure fulfilling careers in Europe, Australia, Canada, the Middle East, and beyond. Our partnerships with top universities in India and abroad ensure that our students receive the highest quality education, preparing them to meet the challenges of a dynamic global workforce.

Ribaz Group of Educational Services in Partnership with City College Birmingham

Introduction

In an ever-changing world, where education opens doors to endless possibilities, Ribaz Group of Educational Services stands as a beacon of opportunity. In collaboration with Mortha Halls of Ivy T/A City College Birmingham, based out of England, we are dedicated to bringing world-class, globally recognised qualifications right to your doorstep. Our courses, certified by prestigious UK Awarding Bodies such as NCC Education, ATHE, and Qualifi, ensure that students are not only prepared but empowered to succeed on a world stage.

City College Birmingham

City College Birmingham is more than just an educational institution - it's a launchpad for dreams. As a leading UK institution, City College Birmingham is dedicated to helping students achieve their fullest potential. With a commitment to providing vocational and professional courses that equip students with real-world skills, knowledge, and experience, City College Birmingham is at the cutting edge of education. Registered with the United Kingdom Register of Learning Providers (UKRLP), City College Birmingham is a name you can trust. In partnership with Ribaz, we bring these sought-after qualifications to students across Kerala, empowering them to rise above the competition and make their mark on the world.

Certifying and Awarding Bodies

The courses offered through Ribaz are certified and awarded by prestigious UK bodies such as NCC Education, ATHE, and Qualifi, through our esteemed partnership with City College Birmingham. This collaboration ensures that students and institutions receive qualifications that meet rigorous UK standards, recognised globally for their credibility and value. Together, we open doors to a world of possibilities.

What Ribaz Delivers

At Ribaz, we believe that education is the key to unlocking human potential. Through our strategic partnership with City College Birmingham, we are committed to delivering high-quality educational programs that do more than just teach - they inspire.

Professional UK Diplomas

For those who aspire to reach the pinnacle of academic achievement, our Ofqual-regulated Professional UK Diplomas, provided through City College Birmingham, offer a pathway to excellence. These one-year diplomas are meticulously designed for academic progression, enabling students to elevate their studies to the next level. Imagine studying the first two years in India, surrounded by familiar support systems, and then embarking on a transformative journey to the UK for your final year. Not only do you gain an internationally recognised qualification, but you also save significantly on tuition fees and living costs. Upon completing the final year in the UK, with no mention of the first two years being done online, you are awarded a full UK degree - which is simply exceptional. This degree is highly esteemed across the globe, including in the UK, USA, Canada, Australia, New Zealand, and Europe, positioning you to succeed wherever your dreams may take you.

UK Awarding Body Endorsed Skill Development Courses

The world is rapidly evolving, and so are the skills required to thrive in it. Our Skill Development Courses, endorsed by UK Awarding Bodies and offered through City College Birmingham and Ribaz, are your gateway to a fulfilling career. These vocational courses, typically ranging from six months to one year, are tailored to equip you with practical, job-ready skills. Whether your passion lies in Dental Science, Nursing, Lab Technology, Beauty Therapy, Logistics and Supply Chain Management, Artificial Intelligence, or any of the other cutting-edge fields we offer, you will emerge with the tools and confidence to excel. And for institutions, we provide the flexibility to customise these courses, ensuring they meet the unique needs of your students and community.
